Industrial Strength Productivity

INDUSTRIAL STRENGTH VACUUMS

A New Benchmark in Vacuuming

Rubbermaid's new line of vacuums have created a new industry standard. With abundant versatile and user-friendly features, these sleek and stylish machines are exceptionally powerful, have superior suction, and are extremely durable.

A Vacuum Cleaner for Every Purpose

Rubbermaid's product engineers worked diligently to create a comprehensive line of products capable of handling every possible task professionally and efficiently, always considering worker comfort as a top priority.

Worker Friendly Cleaning Tools

Three major influencing factors were considered during the development of these powerful vacuums – worker safety, indoor air quality and cleaning performance.

The #1 Brand in Cleaning

You can trust the #1 brand in cleaning to bring you the #1 line of high-performance, earth friendly vacuum cleaners. Convenience, ease-of-use and simple maintenance were mandatory priorities in their development.

H00 C2401

Each 547.94

FVI Vacuum cleaners are designed to allow choices specific to areas to be cleaned: from large open areas to small furniture-laden areas; from deep pile carpets to bare floors. A wide-area vacuum cleaner reduces the cleaning time of large rooms with minimum obstacles, such as large conference rooms. A low-profile vacuum makes it easy to maneuver around and under the beds of most hotel rooms. Where added air filtration is required, a HEPA filtration-ready vacuum is the choice.

One Trusted Partner for Protection and Comfort

Protection, comfort and style

Workers who value safety recognize Kimberly-Clark Professional* as both a pioneer and innovator in personal protective products. Today, the KleenGuard* Brand offers a variety of trusted products – from cut-resistant gloves and bloodborne pathogen protection apparel – to chemical protection apparel and gloves. All these products are specially designed with built-in protection and comfort features so workers will want to wear them. More acceptance means more compliance – and fewer injuries on the job.

Count on the safety experts for a comprehensive selection of high-quality personal protective products – including gloves, apparel and more. Always optimize – never compromise – on your protection, comfort or style.

See our complete line of KleenGuard* Brand products at www.kc-safety.com

A worker wearing a hard hat and safety vest is standing on a wooden ladder, working on a ceiling fixture in a warehouse. The scene is overlaid with a semi-transparent red filter. In the foreground, there are several white plastic safety barriers with triangular warning signs. The background shows a large industrial space with various equipment and materials.

A Wet/Dry Vacuum

Powerful, professional vacuum designed for heavy-duty commercial and industrial floor maintenance. Cyclonic inlet helps reduce foam. Washable cloth filter basket (incl.) can be used alone to collect dry debris directly into the tank. Versatile filtration options—up to five filtration levels available with basket filter (incl.), optional dust bags, cartridge filter and HEPA filter (not incl.). Easily empty the tank after cleaning by using the rear drain hose. 1,350-watt motor, 11.2 amp draw, 95" waterlift, 130 CFM. Side handle for easy lifting. Rugged, blow-molded tank and rubberized nonmarking wheels offer durability and mobility. Includes two-piece aluminum wand. 50-ft. grounded cord. ETL Approved. Manufacturer's three-year parts/one-year labor warranty.
